

## 2008 Mentor

**Nelson Chu**  
Managing Director  
Kinetic Ventures

Nelson joined Kinetic Ventures in early 1998. His investment activities focus on IT Infrastructure technologies (e.g., hardware systems and components, enterprise software), Internet software, database-related applications, and other emerging software and hardware technologies. He is actively involved with Caymas, BroadWare, Alereon, iVivity, and Pathfire. Prior to joining Kinetic Ventures, Nelson was a management consultant with McKinsey & Company and a Development Manager with Oracle Corporation. Nelson received his MBA with distinction from Harvard Business School, his MS in Electrical Engineering from the Massachusetts Institute of Technology and his BS in Electrical Engineering from Virginia Tech.
