

November 3, 2017

Supporting the TAG Education Collaborative's mission to **STRENGTHEN GEORGIA'S FUTURE WORKFORCE** by providing students with relevant, hands on STEM learning opportunities by uniting Technology Association of Georgia (TAG) resources with leading education initiatives.

Overview

The sixth annual STEM Education Awards honors Georgia schools, programs, and companies for outstanding efforts and achievements in supporting and promoting science, technology, engineering, and math education. Key STEM education stakeholders are encouraged to join us for this important gathering of thought-leaders November 3rd at the The Loudermilk Center

A portion of the proceeds for the STEM Education Awards will go to support the TAG Education Collaborative, a non-profit 501c3 dedicated to advancing STEM education in Georgia, and TAG Savannah. For more information about the TAG Education Collaborative, please visit www.tagedonline.org.
