

iNSIGHT

Convergent Digital Summit

November 17th - 19th, Open daily from 10am - 4pm CST

Whether your team manages a single site, a campus, or a global enterprise, Convergent's InSight Digital Summit will provide your organization with innovative **strategies and tools** to optimize business performance and create a safer work environment.

InSight is a unique virtual event. **This fully immersive digital summit** allows you to have a traditional tradeshow experience live from the comfort of your own home or office.

Customize your schedule with visits to technology booths, one-on-one digital meeting spaces, and executive strategy sessions. Every attendee to this **invite-only summit** will have an InSight guide to help navigate the virtual space.

Intelligent building technology for a changing world

- » Capacity Management
- » Contact Tracing
- » Thermal Imaging
- » Situational Awareness
- » Video Analytics
- » Touchless Solutions
- » Cybersecurity Services
- » Emergency Communications

Tour the virtual exhibit hall

- Visit 60 booths presented by Convergent's top technology and service partners
- Watch demos, chat with representatives, and engage in live Q&A sessions
- Meet with Convergent's technology and vertical market experts from across the globe
- Download brochures, case studies, and other idea-generating multimedia information

This is an exclusive, limited-capacity event.
