Celebrate your success and gain recognition for outstanding leadership and innovation across multiple industry sectors. Email Vince@tagonline.org to learn about sponsorship opportunities.

February 1, 2023

The TAG Technology Awards recognize companies and individuals throughout Georgia who made an impact the previous year. Award categories include: Emerging Leader of the Year, Tech Leader of the Year (Corporate, Public/Non-profit), Innovation Driven Company (Startup, Small, Mid-market, Private Enterprise, Public Enterprise, Government/Education/Non-Profit), Digital Transformation of the Year (Public/Non-Profit, Corporate), Tech for Good, and Tech Evolution.

May 3, 2023

Companies selected as the "Top 10" and "Top 40" Innovative companies are showcased at the Georgia Technology Summit, including an opportunity for the "Top 10" to address GTS attendees. "Top 40" recognition is awarded based on specific criteria focused on innovation, including: degree of innovation, scope and financial impact of innovation, likelihood of success, and promotion of Georgia's innovative efforts nationally and internationally.

September 19, 2023

The TAG Fintech ADVANCE program recognizes innovative U.S. fintech companies of all sizes with ties to Georgia. Unlike start-ups, ADVANCE companies have customers, revenues, and can demonstrate results that they are helping the financial industry move forward through innovation. This award is open to any and all technology firms that are providing technology, growing, and making a difference.

September 19, 2023

The Fintech South Innovation Award recognizes innovative U.S. fintech startups with ties to Georgia. Ten eligible applicants will participate in a four-week Education and Mentoring program and compete in a pitch competition. Three finalists will be selected to present their innovation at Fintech South, where the audience will vote for the winner live.

November 30, 2023

TAG is committed to Diversity, Equity and Inclusion and honors those companies who have demonstrated exceptional efforts to advance diversity and inclusion within their organizations, and to embrace the excellence of all employees to achieve positive outcomes in both the workplace and in the community. 2021 Categories included DE&I Tech Impact Leader, DE&I Emerging Tech Leaders of the Year, and Inclusive Technology Leadership Award.
