TAG Bridge Builders Black Tech Mid-Level to Senior Level Mentorship Program

We are seeking mentees and mentors for the upcoming 2023 advancement of mid-level Black tech professionals to senior leadership.

Our promise to our members is to have a robust mentorship program as a meaningful benefit of their membership.

As a mentee, you will be guided and influenced by senior leaders.

Mentors, we ask that you volunteer your time to provide valuable expert guidance over the next program year.

Mentorship Program Overview

- Each mentor is paired with 2-5 mentees
- Small group mentoring sessions are recommended monthly or every two months; 1:1 mentoring is optional
- The time commitment is flexible, but can range from 1-4 hours per month
- A volunteer group coordinator will manage scheduling and communications
- Meeting format is recommended to be hybrid with a combination of virtual and in-person meetings
